## The Game

After the desired stakes have been chosen the game is started with *START*. After the reel run the achieved winning combination is displayed among others by illuminated win lines and the win is added to the credit.

After the achieved wins have been added to the credit, bets can be placed anew.

The win plan respectively the onscreen help can be displayed at anytime by pressing the HELP button (or in this case win plan).

By a click on the symbols on the reels the player can get information regarding possible wins with a sufficiently great amount of the respective symbols.

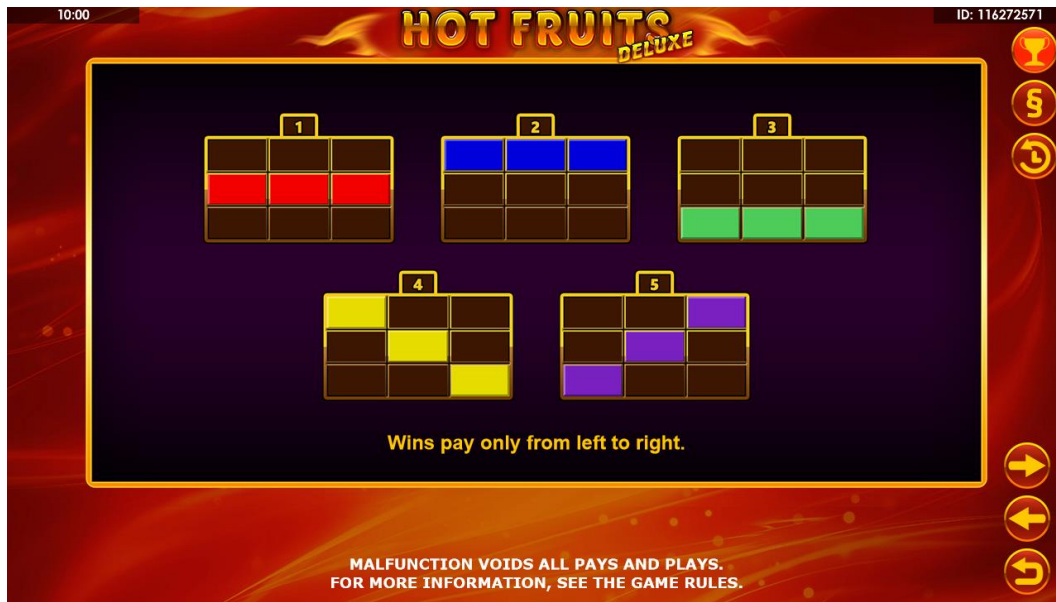

## Help - Menu

The help menu opens when pressing the HELP button. This has its own button panel.
